BUSINESS SUPPORT
FOR EVERYONE

About Me

I'm just a regular-degular girl from the Bronx. Since 2011, I've moved 20 times across three different states. I was looking for something more, and I found it: the freedom to live my life exactly as I wanted to.

These days, I help others find their very own 'something more' by showing them their businesses can run exactly as they need to. Because 'hard' isn't something you need to carry on your own, and we can construct systems that support you in pursuing your wildest dreams.
